

KS2 Homework and Weekly Tests

Autumn Term 2017

Welcome to KS2. Below are just a few changes to let you know about.

This term maths homework will be set by Ms McCluskey and it will be given out every Wednesday. Completed maths homework will need to be returned to Ms McCluskey the following Monday.

English homework will be set by Mrs Gotheridge and given out every Friday. This will be due in the following Thursday.

Your child will have two homework books - one for maths and one for English. Please don't worry about the new arrangements, each book will state clearly when the work is due in and we fully understand that it might take us all a little time to get used to the new arrangements.

The weekly spelling test will continue to take place every Friday. The spelling list for the following week will be given out each Friday.

This year times tables tests will take place on Fridays.

Both tests will begin next Friday [15/9/17].

As always please just ask if you have any questions. Thank you for your continued support.

Ms McCluskey, Mrs Gotheridge and Mrs Mason
