### SATS Week 2017

8<sup>th</sup> May 2017

Dear Parents and Carers,

Derby University invited our Year 2 & Year 3 girls to join them yesterday to find out about science and to inspire them to maybe become scientists one day. Some actual scientists talked about what they do and how they became scientists themselves. We will be adding more detail and photos onto the website shortly.

We would like to wish good luck to all of our Year 6 children for their SATS next week. Could we remind parents that children should arrive promptly each morning - please see attached for details of the 'After SATS' party next Friday

### **Collection of Children from school**

At the beginning of each academic year, we ask you to provide details of who can collect your child from school. As we know things may change over the year, could you please complete the attached form and return to school by Friday 12<sup>th</sup> May. It is a safeguarding requirement that we cannot let children leave school with anyone not given prior parental approval. Please put everyone on the list who may be likely to collect your child even if it's only likely to happen on rare occasions.

Have a lovely weekend and see you back in school on Monday.

Thank you,

Sharon Slack

Executive Headteacher
