Governor News

Following the federation of our school with Monyash C of E Primary School in January we would like to update you on what has happened with regards to the governing body of the White Peak Federation. The Federated Governing Body is working successfully to govern both schools, committees have been formed and the first governing body meetings have taken place. John Wood and Chris Woodhouse have been working effectively as co-chairs alongside all governors to build on both schools successes and to plan for the future.

We have 3 vacancies for governors. If you are interested in being a governor or know of anyone who would be interested in being a governor then please can you speak to Mrs Slack or Dave Robinson for an informal discussion. Governors do not need to be have any school experience or experience being a governor, training will be available.

Thank you,

Sharon Slack
